Uputite se na kupališnu rivijeru gdje vas očekuje predivan riječki krajolik i osigurano dobra zabava uz dodatne sadržaje koje nude naše plaže. Grad Rijeku obilježava raznolikost i to je upravo ono što možete očekivati i kada je riječ o plažama.

U našim kamenitim uvalama hedonisti će pronaći svoju oazu mira, dok avanturisti mogu uhvatiti željenu dozu adrenalina uz aqua parkove, trampoline, SUP daske te uzburkane valove stvorene za surfanje.

Duž cijele obale otkrit ćete šljunčane i kamene plaže te plaže s betonskim sunčalištima tik uz osvježavajuće more. Svoju potragu za idealnom plažom možete početi na zapadu, od Preluka do Kantride.

Ove su plaže idealne za one koji, osim sunčanja i kupanja, vole uživati u sportskim aktivnostima na moru i uz more. To su plaže: Preluk, „S” zavoj, Akademija, Kostanj, Lungomare te Bivio.

Plaža Preluk poznata je i omiljena među surferima zbog specifičnog položaja i vjetra koji tamo puše. Uz spomenute plaže, na ovom su se području smjestile i male neimenovane skrivene uvalice i zavučene plaže za one koji vole osamu. Nekima je moguće prići samo s morske strane.

Od Preluka do Bivija proteže se cijeli niz većih i manjih plaža te uvala koje su šetnicom povezane s brojnim sadržajima: od ugostiteljskih objekata i sportskih sadržaja do parkova za djecu smještenih u dubokoj hladovini zelenila.

Na Kantridi se nalazi pet plaža: Razbojna, Ploče, Vila Nora, Igralište i Brgudi. Ako preferirate slatku vodu, možete se okupati i osunčati i na Bazenima Kantrida, jednom od najljepših bazenskih kompleksa u Hrvatskoj.

Na istoku, na Pećinama, smjestile su se plaže Brajdica, Križić i Sabličevo, tek nekoliko minuta udaljene od samog centra grada. Zatim prema istoku slijede plaža Vila Olga, bivši hotel Park, Glavanovo, Srebrena, Ružičevo te Grčevo. Na Pećinama su se smjestile najstarije plaže nekadašnjeg Sušaka koji je već krajem 19. stoljeća bio poznat kao popularno kupališno odredište na Mediteranu.

Dakle, neovisno o tome želite li se opustiti na plaži, istražiti prirodne ljepote ili uživati u vodenim aktivnostima, riječke plaže pružaju sve što vam treba za jedinstveno i nezaboravno iskustvo.
